RE: **Tony Kayal**  
Renovation @ Homestead Studio Suites Cypress California

Dear Mr. Kourieh:

I wanted to take the time to tell you about our experience with Tony Kayal and his team. They were professional, courteous; detail orientated, fast, efficient, and always went above and beyond.

I have worked with construction companies in the past, and I can say that NO other company has been more satisfying than your group, lead by Tony. Not only are they ahead of schedule, but they have left no stone unturned. Any problems that we found were immediately handled. This team of yours has definitely set a precedent for me.

In the future, any conversations that I am a part of, that call for the need of a construction company, The Jade Group will be the only company that I recommend.

You truly have an asset with Tony Kayal. He personalized his services for us. He was reachable at any time. He handled every aspect of the renovation with such an expedient manner. He was diligent in every way. We cannot say enough about our experience with Tony.

We look forward to his return in February 2008 for the installation of our Corridor Carpet.

Sincerely,  
Carla Arriola
